SPONSORSHIP FORM

OUR FUNDRAISING CHALLENGE

Ten years ago, we set ourselves a target of €2,000,000, however, with the participation and commitment of retailers, suppliers and staff, we have continuously exceeded expectations. To date, we have raised a staggering **€2.9 million** for the Irish Cancer Society and Our Lady's Children's Hospital. This year with your help we aim to break the **€3 million** barrier!
